

Take Part in SDG Week 2023!

Ireland's second Sustainable Development Goals (SDG) Week is taking place this year from **23 September - 1 October**. It forms part of the wider European Sustainable Development Week (ESDW), which runs from 18 September - 8 October 2023. Last year ESDW saw over 7,000 activities taking place across 24 countries, with over 100 events taking place in Ireland.

The SDGs belong to everyone and SDG Week is open to all - individuals, groups, schools and colleges, businesses and institutions.

To take part, organize an event - however big or small - or highlight an activity or project that promotes sustainable development and join the annual week of action for the SDGs.
